RE: 23-2396 United States v. Marcus Millsap

In reviewing the electronic version of the addendum submitted with your opening brief, we noted the defects shown below. The court has instructed the clerk's office to carefully review the addendum to make sure that all orders appealed from are present. Please review the provisions of 8th Cir. R. 28A(g) and provide a complete electronic version of the addendum within five days of the date of this notice. If you fail to do so, an order will be entered directing you to show cause why the appeal should not be dismissed for failure to prosecute.

 X Addendum is overlength. Addendum is restricted to the judgment of the District Court, any order(s) appealed, and up to 15 additional pages. Additional documents can be referenced in the brief using the R. Doc. citations to the district court docket sheet.

Once the electronic version of the addendum is approved for filing, you will receive a Notice of Docket Activity informing you that your brief and addendum have been filed. Please submit the required paper copies of the brief and addendum within five days of that notice. See 8th Cir. 28A(d) and (g)(4). If you have any questions, please contact our office.
